The event was held on October 23, 2021, at the recently remodeled Amarillo Club. It was a seated dinner prepared by Chef Lauren Whitledge consisting of 4 courses paired with exquisite wines.

The dinner was followed with a live auction and a wine pull stocked with an extensive selection of wines, and a silent auction.

LIVE AUCTION WINES

The Vintage Committee planned this event in a different manner in 2021 by changing the date from springtime to October, choosing the upscale Amarillo Club as a venue, and creating a distinctive menu paired either with wine or locally brewed beer. All these changes contributed to attract a broader group of donors.

A string quartet comprised of Amarillo Symphony members performed for the 111 guests attending the event.

The silent auction was set up online using Auctria platform for the first time, which was successful.

There were 30 silent auction packages and 24 live auction packages at the event.
