

COME AND TAKE IT DALLAS JUNIOR SYMPHONY BALL

“A Party with a Purpose”

The Junior Symphony Ball, or JSB as it is known, is the Dallas Symphony Orchestra League’s longest-running fundraiser, **62 years** and going strong!

JSB was founded with the concept of “student-led, parent-guided” leadership. The evening includes live entertainment, professional DJ, casino games, and prizes for over 2,000 high-school students. The event was formed to introduce Dallas–area high school students to the Dallas Symphony Orchestra, a cultural gem to our city, and in turn, teach them about giving back to the community by hosting a student-led fundraiser.

The Junior Symphony Ball raises funds to support the Dallas Symphony Orchestra’s Education and Outreach programs including Youth Concerts, Symphony Yes!, DSO Kids, Young Strings, and Young Musicians. JSB has grown over the decades from just a handful of participating schools to nearly 30 high schools, raising over \$356,000 to benefit the Dallas Symphony.
